

Legend Boucles Gold Experience

For this 2023 edition of the Legend Boucles @ Bastogne, in order to make the most of the event, the Royal Automobile Club de Spa has developed a new VIP formula which will be proposed to you on Saturday 4th February 2023.

In concrete terms, you will be invited on Saturday morning to a relaxed breakfast with pastries and coffee.

Then, you will embark in a privatized minivan 8+1 which will take you on the tracks of the Legend Boucles with a driver (Rallymen) who knows perfectly the world of the rally and who will be your guide.

Lunch will be offered in the form of a quality lunch box prepared by the famous Wagon Léo, a restaurant not to be missed in Bastogne.)

Then, after a busy day on the edges of the Bastogne special stages, you will be awaited at the Wagon Léo for an aperitif followed by a 3 course meal at the Wagon.

(+ Aperitif, wine, water, coffee)

We propose this formula at the price of 250€ excluding VAT all included
